

"C" Label Fire Resistant Insulated Files

NEW!

**Letter and Legal Sizes
2 and 4 Drawer**

Black, Tan & Putty

**U.L. Insulated Record Container
Class 350 - 1 Hour**

- 1 Insulation is glass fiber reinforced for strength.
- 2 Heavy-duty drive roll ball bearing suspension for smooth drawer operations.
- 3 Follower block slides with finger tip action.
- 4 Lock bypass feature lets you choose which drawers stay locked and which don't.
- 5 Double steel wall construction creates a strong, singles unit. Inner wall prevents insulation from flaking.
- 6 Seamless construction for smooth, modern look.
- 7 Plunger style lock securely locks all drawers.
- 8 Drawer height allows for easy filing of oversized records and full tab clearance.
- 9 Convenient thumb latch allows easy drawer opening.
- 10 Dual positions — Legal and letter for hanging folder rods in legal size file.
- 11 Anti-pilferage divider plates restricts unauthorized access to other drawers.
- 12 Insulation between drawers affords additional record protection if one or more drawers are left open.

Lifetime Replacement Guarantee

The original end consumer is guaranteed full replacement of any of these insulated files damaged by fire beyond repair, subject to verification of loss.
