

# Fire- & Burglary-Resistant Safes

## Dauntless™

A safe must protect not only against theft, but also fire. This principle has stood the test of time and is why we offer the Dauntless series of safes today. Dauntless safes were the very first to earn both a UL® Class 350 1-hour Fire Rating and a Residential Security Container (RSC) burglary rating from Underwriters Laboratories.

## New Thermo-cel™ Plus: Security to the highest degree

Making the best even better, all Dauntless safes now come equipped with Thermo-cel Plus, a specially formulated dry insulation that provides optimum fire resistance with no moisture problems. You might expect to pay hundreds, even thousands, more for a safe so tough. However, using today's most advanced technology, Meilink® is able to offer these dual-labeled safes at a very affordable price. You don't have to sacrifice protection or pay more for the security a Dauntless safe offers.

### Dauntless BC4524-1

Three shelves are standard, as well as a 7/8" anchor hole in the bottom of the safe.

### Dauntless BC2218C-1

This safe can conveniently fit in most closets and offers 2.9 cubic feet of interior space.

### Features:

- New Thermo-cel Plus dry insulation provides excellent fire resistance while eliminating the chance of wet safe conditions
- UL-Listed relocking device for extra security
- Drill-resistant steel hardplate protects the combination lock
- Vertical and horizontal bolts resist prying
- Bolt-O-Matic door guard automatically extends the 1" bolts when the door is closed
- UL-Rated Group II combination lock is standard with over 1,000,000 combinations
- Optional Sargent & Greenleaf electronic lock automatically locks safe when door is closed
- Adjustable ball-bearing hinges for smooth operation
- Available in four colors (Parchment, Light Gray, Taupe, Graphite)
- Seven different sizes with inner capacity ranging from 1.4 to 18 cubic feet

Name	Model	Approx. Ship Weight (lbs.)	Interior Capacity (cu. ft.)	Interior Size			Exterior Size		
				Height	Width	Depth	Height	Width	Depth <sup>1</sup>
<b>Dauntless</b> 	BC1612-1	290	1.4	16"	12"	12 1/8"	21 5/16"	17 13/16"	21 5/8"
	BC2218C-1	486	2.9	22"	18 5/8"	12 1/4"	27 5/16"	24 7/16"	21 3/4"
	BC2218-1	520	3.8	22"	18 5/8"	16"	27 5/16"	24 7/16"	25 3/4"
	BC3020-1	750	7.3	30"	20"	21"	35 5/16"	25 13/16"	30 3/4"
	BC3624-1	855	12.0	36"	24"	21"	41 5/16"	29 13/16"	30 3/4"
	BC4524-1	1015	15.0	45"	24"	21"	50 5/16"	29 13/16"	30 3/4"
	BC5428-1	1250	18.0	54 3/4"	28 5/16"	19 7/8"	60 5/16"	34 1/16"	29 1/8"

<sup>1</sup> Total depth with door closed including 1 7/8" for handles and dials.

## Burglary Ratings

The lock icon designates the safe's ability to protect against unauthorized entry and theft. The number represents the increasing level of burglary protection within the safe line.

These safes come with a lifetime replacement warranty in case of fire and a 1-year limited warranty.

## Fire Ratings

The fire icon designates the safe's ability to protect against fire damage. The number in the icon represents the time frame of the test the safe has passed. Icons with a (+) represent that the safe has earned UL's impact rating.
